**Step2:** Once after login, You will be seeing the dashboard of snackpoint application with listed restuarants.

The screenshot shows a web browser window with the title 'Learning Track | FSD-Foundatio' and the URL '127.0.0.1:5500/dashboard.html'. The page has a dark header with the 'Snacks Point' logo and a user 'admin' icon. On the left, a sidebar menu lists 'Home', 'About', 'Payment', 'Your Orders', 'Cart', 'Contacts', and 'Address'. The main content area features a search bar labeled 'Search by Restaurant' and a 'Search' button. Below the search bar is a list of five restaurants with their names, cuisines, and locations. To the right of each restaurant name is a small thumbnail image of food. The restaurants listed are: 1135 AD (Rajasthani, Jaipur, Amber Fort, Rajasthan), 6 Ballygunge Place (Bengali Cuisine, Kolkata, Ballygunge, West Bengal), Agashiye (Gujarati, Ahmedabad, House of MG, Gujarat), Alhamdulillah Hotel (Mughlai, Hyderabad, Sultan Shahi, Telangana), and Bawarchi (Biryani, Hyderabad, RTC Cross Road, Telangana).

- 1135 AD**  
Rajasthani  
Jaipur, Amber Fort, Rajasthan
- 6 Ballygunge Place**  
Bengali Cuisine  
Kolkata, Ballygunge, West Bengal
- Agashiye**  
Gujarati  
Ahmedabad, House of MG, Gujarat
- Alhamdulillah Hotel**  
Mughlai  
Hyderabad, Sultan Shahi, Telangana
- Bawarchi**  
Biryani  
Hyderabad, RTC Cross Road, Telangana

**Step3:** By clicking on the restaurant name or image of restaurant, you will be redirecting to the items list of specific restaurant.

The screenshot shows the same web browser window and dashboard layout as the previous one. The main content area now displays a list of items from the 'Bawarchi' restaurant. It includes a search bar labeled 'Search by items' and a 'Search' button. The items listed are: Classic Margherita Pizza (Italian, 4.6★), Vegetarian Stir-Fry (Asian, 4.7★), Chocolate Chip Cookies (American, 4.9★), and Chicken Alfredo Pasta (Italian, 4.9★). Each item has a thumbnail image and an 'ADD' button to its right.

- Classic Margherita Pizza**  
Italian  
4.6★
- Vegetarian Stir-Fry**  
Asian  
4.7★
- Chocolate Chip Cookies**  
American  
4.9★
- Chicken Alfredo Pasta**  
Italian  
4.9★

**Step4:** In the above screenshot, you can see the **ADD** button, By clicking on that, item will be selected and moved to the cart.

You can select more than one item in the list.

After selecting the items, then click on the **cart** in the menu to move to cart.

The screenshot shows the Snacks Point dashboard with the URL 127.0.0.1:5500/dashboard.html#CartItems. On the left sidebar, the 'Cart' option is selected. In the main content area, two items are listed: 'Chocolate Chip Cookies' and 'Chicken Alfredo Pasta'. Each item has a small image, a brief description, a rating (4.9★), and a price (₹100). Below the items is a summary table:

Item Name	Item Price
Chocolate Chip Cookies(1)	₹100
Chicken Alfredo Pasta(1)	₹100
<b>Total:</b>	<b>₹200</b>

At the bottom are 'Place Order' and 'Cancel' buttons. The quantity for each item is currently set to 1, indicated by a button with minus, plus, and a central '1'.

**Step5:** In the above screenshot, you can increase or decrease the quantity of item by clicking on the **Plus** or **Minus** button.

The screenshot shows the same dashboard as before, but with updated quantities. The 'Chocolate Chip Cookies' quantity is now 3, and the 'Chicken Alfredo Pasta' quantity is now 2. The summary table reflects these changes:

Item Name	Item Price
Chocolate Chip Cookies(3)	₹300
Chicken Alfredo Pasta(2)	₹200
<b>Total:</b>	<b>₹500</b>

The 'Place Order' and 'Cancel' buttons are still present at the bottom.

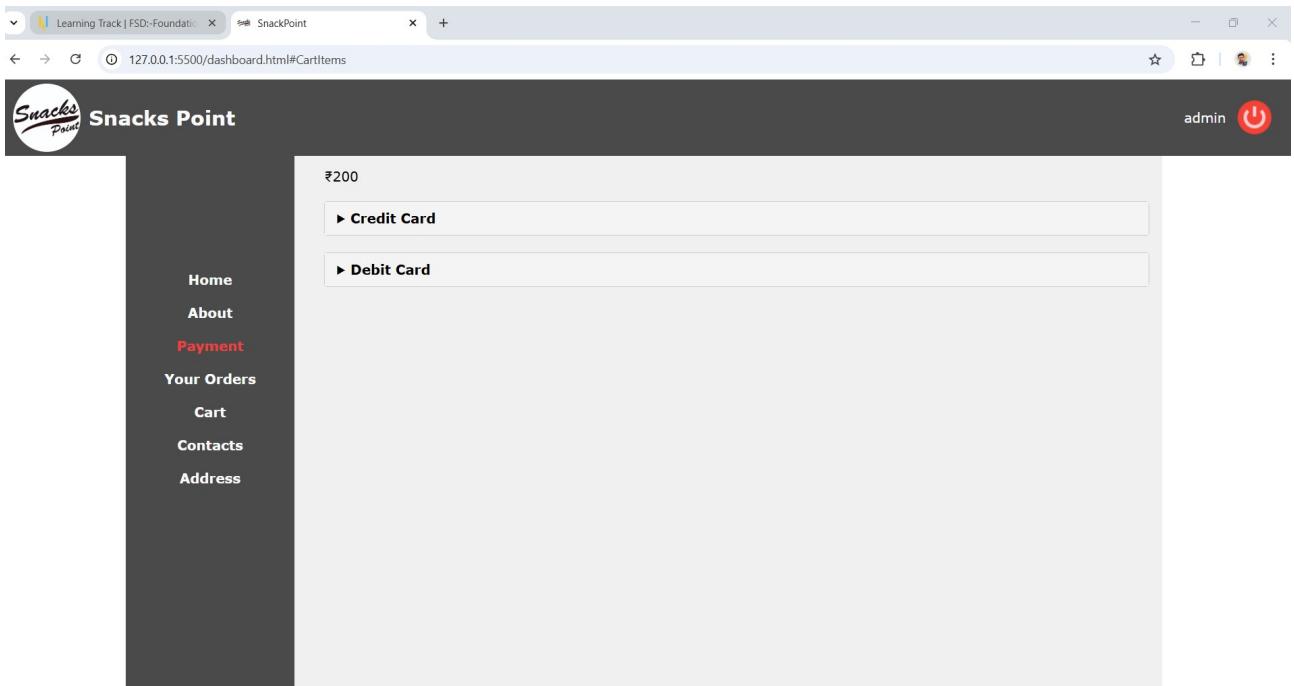

So automatically, billing details on the table also get updated, as you can see in the above screenshot.

**Step6:**If you want cancel the order, you can click on the cancel button, so that it will redirect to home/dashboard again.

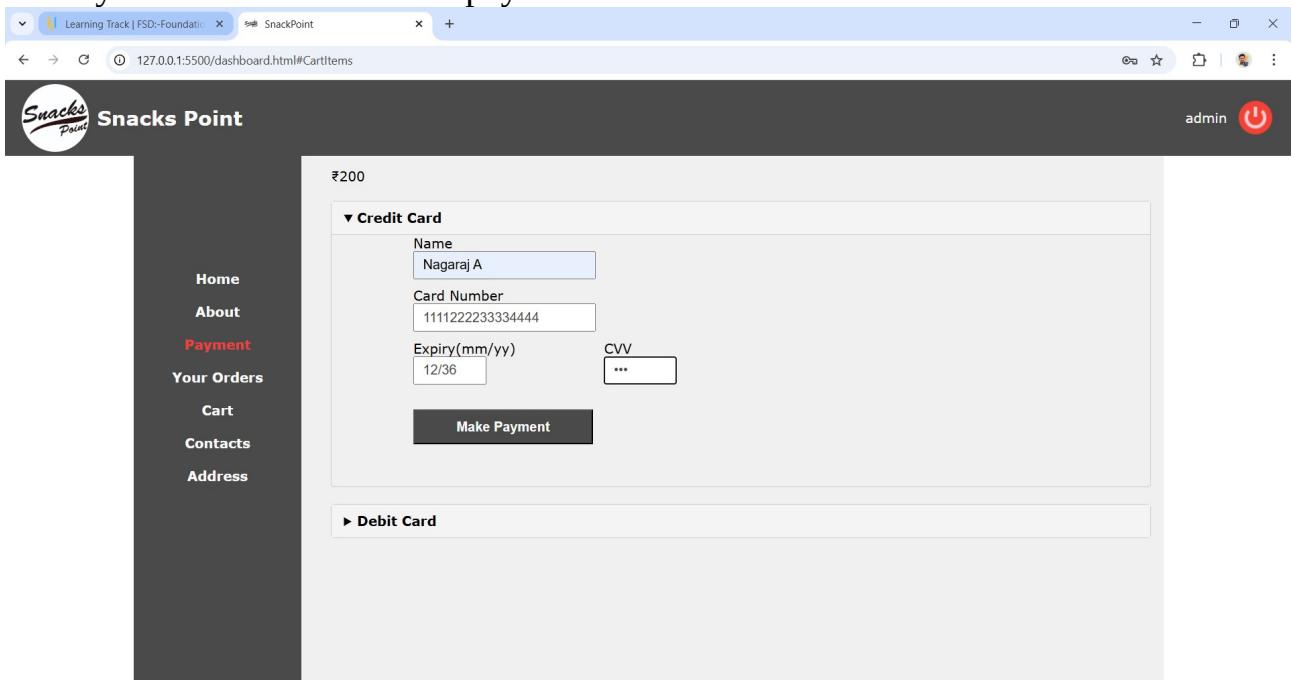

The screenshot shows a web browser window titled "SnackPoint". The URL is "127.0.0.1:5500/dashboard.html". The page has a dark header with the "Snacks Point" logo and a user "admin" icon. A navigation sidebar on the left includes links for Home, About, Payment, Your Orders, Cart (which is highlighted in red), Contacts, and Address. The main content area displays a search bar labeled "Search by Restaurant" and a "Search" button. Below the search bar is a list of five restaurants with their names, cuisines, and locations. To the right of each restaurant name is a small thumbnail image of food. The restaurants listed are: 1135 AD (Rajasthani, Jaipur, Amber Fort, Rajasthan), 6 Ballygunge Place (Bengali Cuisine, Kolkata, Ballygunge, West Bengal), Agashiye (Gujarati, Ahmedabad, House of MG, Gujarat), Alhamdulillah Hotel (Mughlai, Hyderabad, Sultan Shahi, Telangana), and Bawarchi (Biryani, Hyderabad, RTC Cross Road, Telangana).

**Step7:** If want place the order, then click on the **Place Order** button on the below screenshot, So that it will be moved for the payment section.

The screenshot shows a web browser window titled "SnackPoint". The URL is "127.0.0.1:5500/dashboard.html#CartItems". The page has a dark header with the "Snacks Point" logo and a user "admin" icon. A navigation sidebar on the left includes links for Home, About, Payment, Your Orders, Cart (highlighted in red), Contacts, and Address. The main content area shows a list of items in the cart. Each item includes its name, cuisine, rating, price, and quantity selection buttons. The items listed are: Chocolate Chip Cookies (American, 4.9★, ₹100, quantity 3) and Chicken Alfredo Pasta (Italian, 4.9★, ₹100, quantity 2). Below the item list is a summary table with columns for Item Name, Item Price, and Total. The table shows: Chocolate Chip Cookies(3) at ₹300, Chicken Alfredo Pasta(2) at ₹200, and a Total of ₹500. At the bottom are two buttons: "Place Order" (in white box) and "Cancel" (in red box).

**Step8:** In the payment section, you can see the list of payment methods, then choose the any one of it and make the payment.

**Step9:** Once after the payment, you will be seeing the successfull message and post that,page will be redirecting to orders list.

Screenshot of the Snacks Point application dashboard showing a successful payment message.

The dashboard displays two items in the cart:

- Classic Margherita Pizza**: Italian, Qty:1, ₹100. Image: A pizza with tomato sauce, cheese, and basil leaves.
- Vegetarian Stir-Fry**: Asian, Qty:1, ₹100. Image: A plate of stir-fried vegetables.

A dark gray modal box in the center contains the message: "Payment has been done successfully".

The left sidebar menu includes links: Home, About, Payment, Your Orders (highlighted in red), Cart, Contacts, and Address.

Screenshot of the Snacks Point application dashboard showing the cart items.

The dashboard displays the same two items in the cart as the previous screenshot:

- Classic Margherita Pizza**: Italian, Qty:1, ₹100. Image: A pizza with tomato sauce, cheese, and basil leaves.
- Vegetarian Stir-Fry**: Asian, Qty:1, ₹100. Image: A plate of stir-fried vegetables.

The left sidebar menu includes links: Home, About, Payment, Your Orders (highlighted in red), Cart, Contacts, and Address.

**Step10:** You can see about the application in the **About** page.

The screenshot shows a web browser window with the URL `127.0.0.1:5500/about.html`. The page title is "SnackPoint". On the left, there is a sidebar with a logo and navigation links: Home, About (which is highlighted in red), Contacts, and Address. The main content area has a heading "About" and a paragraph explaining the need for fast food ordering systems.

**About**  
In the fast-paced digital marketplace, restaurants and food delivery services must meet growing consumer demand for fast, convenient, and contactless food ordering. Manual ordering systems can lead to inefficiencies, order inaccuracies, and customer dissatisfaction. Customers expect seamless online interfaces that allow them to browse menus, place orders, and make payments effortlessly from any device.

**Step11:** You can see the contacts in the **Contacts** page.

The screenshot shows a web browser window with the URL `127.0.0.1:5500/contacts.html`. The page title is "SnackPoint". The sidebar includes a logo and navigation links: Home, About, Contacts (which is highlighted in red), and Address. The main content area displays contact information.
